### 3.2 Admission Office

Mail your application to the following address:

The University Office of Student Affairs, Education Division, Section 2,  
3-18-15Kuramoto-cho, Tokushima 770-8503, Japan

TEL: +81-88-633-9009

### 3.3 Application Documents

#### ① Application for Admission

Glue or electronically attach a recent head and shoulders 4cm x 3cm photograph to the accompanying form. The applicant should be facing forward with no head wear.

#### ② Certificate of graduation or a graduation letter regarding the master's program

#### ③ Official academic transcripts of the applicant's bachelor's and Master's programs, and the Doctoral program entrance examination results (submitted in a sealed envelope)

#### ④ Two recommendations (sealed): one from the head of the applicant's home faculty and the other from the applicant's academic supervisor.

The recommendations are to be addressed to the Chancellor of Tokushima University, with the applicant's name, birth date, and nationality. They should clearly state that the applicant is enrolled in, or has been admitted to, the Doctoral program of the home institution, and assess his/her research ability and character.

#### ⑤ Abstract of the master's thesis

The applicant whose master's program is in progress may substitute this requirement with a report on research projects, in which he/she has been or is currently involved.

#### ⑥ List of research publications

Attach supporting documents (e.g., copies of research papers, proceedings papers, patents) if any. Include a 150-word abstract for each publication.

#### ⑦ Statement of the proposed research

The applicant should consult with his/her future supervisor at Tokushima University, and write a brief research proposal including the research topic, objectives, methods, and any relevant ideas.

## **4. Screening**

### **4.1 Screening Procedure**

Screening for admission will be based on a personal interview and the application documents submitted.

### **4.2 Personal Interview**

The interview will be conducted either in person or using an Internet-based voice and image communication system. The applicant will be interviewed in English about his/her thesis and proposed research.

### **4.3 Interview Dates**

## **8. About Security Export Control**

Tokushima University has established the 'Tokushima University Security Export Control

Regulations' based on the 'Foreign Exchange and Foreign Trade Act' and rigorously determines the acceptance of students by considering the goods exported, the technology provided, and the exchanges in human resources that will take place. If your activities fall within the ambit of any of these regulations, your desired research activities may be restricted, or you may not be able to take certain coursework. Hence, please be careful when you are applying and take any necessary precautions such as consulting with your prospective academic advisor before submitting your application.
